## NEWS

### The Burnt River Browns Backers Named March 2009 Club of the Month

**03.02.2009**

Browns Backers Worldwide and the Cleveland Browns are proud to announce the Burnt River Browns Backers of Mentor, Ohio as our March 2009 "Club of the Month."

The Burnt River Browns Backers were chartered in September of 2008, and already have an active membership of over 140 people. As soon as the club was chartered, they got started with major charity work.

The Burnt River Browns Backers were one of three clubs to win the 2008 Grant Competition. The club received \$2,000 that went toward the purchase of stuffed animals for the children at a local hospital. The hospital used some stuffed animals as holiday gifts and saved others for upcoming events.

The club has been actively raising membership through word of mouth, email, and postal mail campaigns.

During home games, you can find members of the Burnt River Browns Backers in both the port and muni lots. During away games, the club meets at the Concord Panini's.

They are in the process of planning draft day activities and look forward to some pre-season parties.

"We are very active Browns Backers and feel we do all we can to support our team...our name...and our colors," said club president Bob Hostutler.

Congratulations to the Burnt River Browns Backers!

*Browns Backers Worldwide would like to thank the Burnt River Browns Backers and all of our Browns Backer Clubs for all of your hard work and dedication. To nominate your Club for Club of the Month honors, please tell your Club President to email us as [bbwnews@clevelandbrowns.com](mailto:bbwnews@clevelandbrowns.com) and request a Club of the Month application.*
